An act to amend Section 89500 of the Education Code, relating to public postsecondary education.

LEGISLATIVE COUNSEL'S DIGEST

SB 925, as introduced, Huff. Public postsecondary education: California State University personnel.

Existing law establishes the California State University and provides for its administration by the Trustees of the California State University. Existing law requires the trustees to provide by rule for the government of their appointees and employees.

The bill would make technical, nonsubstantive changes to that requirement.
